Pick up your shield and armor, stand up and help me

B

Draw out your spear, stop those pursuing me

A2            B                      E

And say to my soul, "I am your salvation!"

## (Verse 2)

E

Let those who hunt me down be put to disgrace

C#m

Those who plot against me, be turned back in shame

A2

May they be like the chaff blown away by the wind

B

The angel of the LORD driving them away

E

May their way be dark, slippery, empty, and vain

C#m

With Your angel pursuing them all the way

A2

For they set traps to catch me, though I've done nothing wrong

B

Let them fall in their traps before they even know

## (Chorus 1)

Then my soul will joy in Yahweh

C#m                      E                      E/G#

C#m  
Put on mourning clothes, prayed with my head to my chest  
A2  
I grieved as if they were my brother or my friend  
B  
As one who grieves his mother, I bowed myself down

E  
But at my stumbling, they gather and rejoice  
C#m  
O, wretched men that I've never seen before  
A2  
Their torture is relentless, their mockings never cease

They tear at me with words, they gnash at me with their teeth

How long, O LORD, will you watch this?
